

Souvenir Rosé

Fresh, fruity and light

We have all experienced a moment when time stops. Our senses seem heightened and we keep the memory of that moment forever. The winegrowers of Agde and Marseillan offer you this easy-to-drink wine full of the freshness of the Mediterranean.

Terroir

Soil: The Mediterranean waterfront is principally composed of two types of sediments: tertiary (sand, clay) and quaternary (gravel).

Climate: Mediterranean, along with special humidity and freshness from the Étang de Thau, essential for making fine and aromatic rosé wines.

Wine tasting

Colour: Pale pink.

Nose: A nose of red fruit (strawberries) dominates in this light rosé, pleasure maintained by a touch of lemon.

Mouth: Frank attack, the mouth is very fruity and persists on aromas of strawberries. The wine is round and fatty.

Recommended serving temperature: Between 8 and 10° C.

Perfect accompaniment with: Aperitifs, grilled meats, pizzas.
